## SANCTIONED COMPETITIONS AND EVENTS

### Sanctioned qualifying, club friendly and Gymnastics NSW Region Committee competitions and events.

Organisers, clubs, hosts and committees need to have an implementation plan that flows from the [Gymnastics NSW Return to Sport: Competitions and Events](#), adapted as necessary by event organisers and committees, ensuring compliance with all current regulations and requirements to ensure a safe return to sport and complete compliance with government restrictions. These guidelines are designed to ensure the safety and health of both the gymnastic and wider community. Working together we all can participate safely.
