JUDGES COURSES

Pre-Course

All candidates to be sent education information helpful with preparation for the course they attend. This should now include infection control information in fact sheets – sent attached to enrolment emails.

Other considerations include:

- Venue to be sourced on safe course candidate numbers
- Venue checklist to be completed by GNSW. Size, access, facilities, cleaning before and after, breaks.
- Venue to be cleaned prior to arrival.
- Spacing of desks, chairs and presenter resources appropriately.
- Sanitizer/Soap available always.
- Signs in place to direct candidates to appropriate expectations around distancing and hygiene.
- Candidates advised prior to course that all food and drinks/course materials must be brought to the course – no kitchen access – no sharing of equipment. Pens, calculators etc
- Presenter briefed/trained on current health advice and expectations.

Day/Weekend of the Course

- Presenter to arrive 30 mins prior to course start time to inspect premises each day.
- **STOP** sign on venue main door to alert anyone experiencing symptoms.
- Handwashing/sanitising on arrival by all – each day.
- Wipes allocated to all candidates to sanitise desks and chairs – each day and after breaks.
- Course housekeeping greeting to include – expectations around safety and hygiene – each day.
- Candidates must fill out a Health Screening Questionnaire prior to attending course
- Breaks to be taken outside the building where practical.
- Return from breaks – all to sanitize/wipe over equipment and workspace.
- Check with venue regarding cleaning post course
